

Meet the HD DVD Logo lineup

ALL DVD LOGOS BELONG TO DVD FORMAT/LOGO LICENSING CORPORATION

USE OF THE DVD LOGOS IS NOT PERMITTED WITHOUT A LICENSE.

The DVD Logo is a symbol of Format compliance and authenticity: the world's best known Logo for DVD products. DVD Format/Logo Licensing Corporation [DVD FLLC] authorizes the use of **DVD Formats** created by DVD Forum and **DVD Logo**. Only licensed manufacturers may display the DVD Logo, and to win the right to display the DVD Logo on their products, each licensee must pass strict verification tests by one of the Class A Verification Laboratories around the world.

Because of this stringent control by DVD FLLC and DVD Forum, the DVD Logo guarantees the better compliance of DVD products everywhere.
